

Internship guidelines (for batch SCA 9 batch)

1. Paid Internship, with live Supply Chain Analytics (SCA) projects

- Opportunity available for those who enrol our Analytics program
- Make fee payment as per the brochure (either single or triple EMI). This program is applicable for the program fees of 59,999 INR & above.
- While opting for internship, they should not be working or doing internship with any other organisation, part-time or full time.
- All those opting for internship should work remotely, full time, under our guidance.
- Attend the SCA program regularly with more than 75% attendance & Pass the final online exam.
- All the eligible, passed candidates will be offered internship as per sl.no 1.1, for 2 months.
- After completing internship as sl.no. 1.1, they will be moved to paid internship as per Sl.No 1.2, for 4 months, sequentially
- On completion of internship, an internship completion certificate will be provided. The duration of internship will be either as per Sl.No.1.1 or 1.2 below.

1.1 First 2 months un-paid internship

A project and all necessary inputs will be given. Weekly support/doubts clarification will be provided. Within specified 2 months period, the candidate is expected to complete the project and submit the report for approval.

1.2 Next 4 months paid internship.

Those who successfully complete the project and approved by the organisation will be inducted into paid internship program. Live project and necessary support will be provided. The project must be completed within the specified period. Ready to work on multiple projects. This is a full-time work and candidate must be ready to attend every day online meeting with the organisation and with clients. A stipend of INR 12,711 per month will be provided.

1.3 Absorption in company roles

Those who successfully complete the internship (as per Sl. No 1.2) will be absorbed in the roles of the company, based on availability and performance in the interview

2. Net Sum Zero

The Supply Chain Analytics program fees is INR 50,846 + 18% GST(INR 9,153) = Total Rs 59,999. Under paid internship program as per sl.no 1.2, the above Rs 50,846 will be paid back to the successful candidates, in 4 equal instalments at INR 12,711 per month. So this is a "Net Sum Zero" program

So the candidate does not pay any money for the program (except GST), but gets opportunities for internship as well as employment.

We also arrange employment with other organisations for those enrolled candidates and who have registered in our portal www.scmjobs.net, if they wish
